

DUD7200

DUD7200 USB-C 12-in 1 Triple 4K HDMI Display Universal Mini Dock

DUD7200: The Triple 4K HDMI Display Universal Mini Dock- Perfect for Travel and Work. DUD7200 is a small, compact, and easy-to-carry USB-C triple display universal dock that's perfect for travel and work. It features three HDMI ports with resolutions up to 3x4K60 specified in HDMI2.0, so you can extend your laptop screen to three external monitors and boost your productivity. DUD7200 also includes a up to PD85W passthrough port that can charge your laptop while you're working, as well as dual USB-C downlink ports and four USB-A ports that can charge your smartphone, tablet, or other devices. There's also an audio combo port for video conferencing or listening to music, and a 1Gbps RJ45 port for reliable network access.

Feature

- Legacy triple display supported in resolution up to 3x4K60 as specified in HDMI2.0 to extend PC's screen to 3 external monitors at the same time.
- PD passthrough supplies up to PD85W to charge the laptop via 1m USB-C 10G tethered cable
- Dual USB-C 10G downlink ports to charge the smart phone, iphone, tablet, and other devices
- Quad USB-A 5G downlink ports to give sufficient power to USB accessories
- More Extension - 2x USB-C 10G ports and 4x USB-A 5G ports for your USB accessory connection
- An audio combo jack to your headphone for conferencing or listening to music
- Stable 1Gbps Ethernet port to access the network
- Compatibility – docking station compatible with Windows, Mac, and Chrome OS for your Windows, Macbook, Chromebook laptops
- VESA mounting design
