

USB-C Universal 4K Adapter

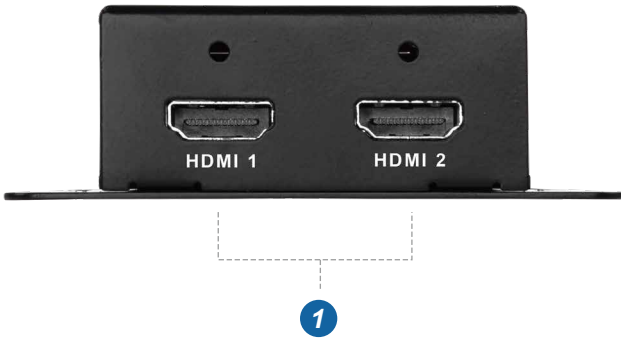

ANC1265

The ANC1265 USB-C Universal 4K Adapter provides an easy-to-use solution to extend your content to two 4K displays through a single USB-C connector. This adapter features two HDMI video ports that support up to 4K60 resolution, seamlessly displaying videos or multiple visual dashboards. It is fully compatible with Windows, macOS, ChromeOS, and Android. With its tethered cable featuring a USB-C/A adapter, the ANC1265 offers greater flexibility, supporting laptops with either USB-C or USB-A ports. The rugged housing with two-bracket design also provides high convenience and durability for deployment, ideally suited for any professional use. Integrating stunning video output performance and a compact design, the ANC1265 ensures exceptional productivity and meets diverse application needs.

Feature

- Add-on display device through a single USB-C/A cable
- 2x HDMI2.0 ports
- Supports up to dual 4K60Hz video output
- Power mode: Bus-powered
