

*Up to Four 4K Displays*

## USB-C Universal Quad 4K Display Adapter (with PD pass-thru)

VSD7335

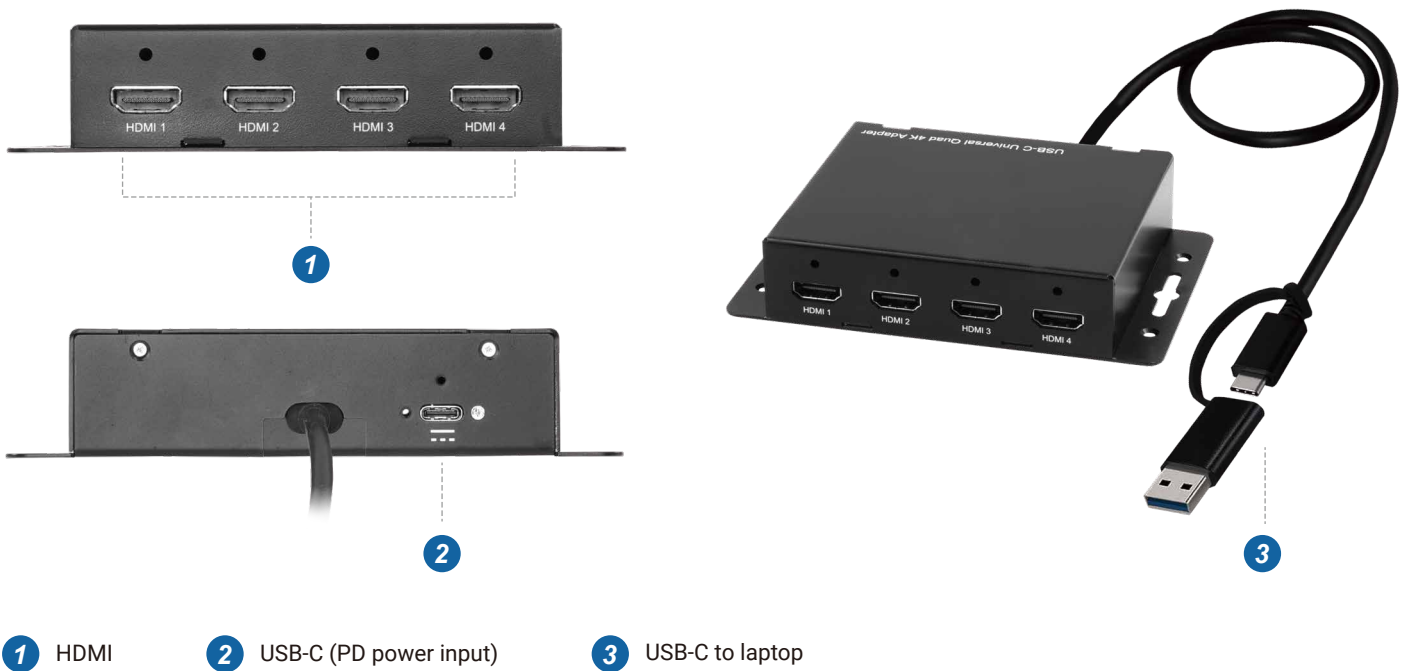

The VSD7335 USB-C Universal Quad 4K Display Adapter provides an easy-to-use solution to extend your content to four 4K displays through a single USB-C connector. This compact adapter features four HDMI video ports, supporting up to 4K60 resolution and seamlessly displaying video or multiple visual dashboards. Additionally, the VSD7335 can offer a self-powered mode with a PD charging-thru function, delivering up to 90W of laptop charging. The rugged housing with two-bracket design also provides high convenience and durability for deployment, ideally suited for any professional use. Integrating stunning video output performance and a compact design, the VSD7335 ensures exceptional productivity and meets diverse application needs.

### Feature

- Four HDMI video ports extend content to four displays at 4K60 resolution
- Supports PD3.0 pass-through charging up to 90W
- Hardware requirement : USB-C/A 10G
- Add-on display device through a single USB-C/A cable
- Dual power modes: bus-powered and self-powered
- Rugged housing design for professional use
- Compatible with Windows, macOS, ChromeOS, and Android
